RE: TC24-003, *In re Petition of Infinity Mobile*

This letter is to inform the parties and the Commission of the need for this docket to be placed on the December 17, 2024 Commission agenda for the purpose of addressing reconsideration due to a procedural issue. Specifically, prior to the Commission making an oral decision in this docket, I should have clarified on the record whether the parties agreed to the filings in the docket as the factual basis for a decision in order to create a record for legal purposes. Should the Commission vote for reconsideration at the December 17 meeting, the effect would be to nullify the vote taken on December 3, and then the parties can determine if they would like to proceed by stipulating to the docket as the record in order to redo the vote, waive findings, or some other manner in order to establish a record for the purpose of drafting an order. It is my understanding that the parties are working together. I apologize for my oversight and for the inconvenience.

Sincerely,

Kristen N. Edwards
