Proposed for South Dakota non-Tribal: Unlimited talk and text, 4.5 GB of data

Proposed for South Dakota Tribal: Unlimited talk and text, 15 GB of data

In states which provide additional support for wireless Lifeline as well as in places where Tribal support is available, Telrite is able to provide a more generous data plan. Though not the only factor, the additional data is generally tied to the additional support available. California currently provides the most additional support to wireless ETCs, \$19. Of states in which Telrite operates which provide additional support to wireless ETCs, Wisconsin's is the lowest at \$0.75.

California:	Unlimited talk and text, 10 GB of data
Kentucky:	Unlimited talk and text, 6 GB of data
Idaho:	Unlimited talk and text, 5 GB of data
Wisconsin:	Unlimited talk and text, 4.75 GB of data
