This tool can help you find companies in your area that offer Lifeline, which can reduce the cost of your phone or internet service by providing a monthly discount.

If you previously received the Affordable Connectivity Program (ACP) benefit, you should check to see if you qualify for Lifeline. Due to a lack of additional funding from Congress, the ACP stopped accepting new applications as of February 7, 2024. The last fully funded month of the ACP was April 2024, and the program has ended for now.
