

## Public Redacted

Docket Number: TC25-031  
Subject Matter: First Data Request  
Request to: City of Faith Municipal Telephone Company ("City of Faith")  
Request from: South Dakota Public Utilities Commission Staff  
Date of Request: July 29, 2025  
Responses Due: August 11, 2025

1-1) Refer to Exhibit A, City of Faith's Progress Report. What was the City of Faith's depreciation expense for 2024 in Study Area 391653? Further, please identify the other types of expenses that are included in the Plant Non-Specific Expenses for 2024, if any.

Response: [REDACTED] Other types of Plant Non-Specific Expenses include (i) expenses related to property held for future use; (ii) network operations expenses; (iii) provisioning expenses; (iv) access expenses; and (v) depreciation and amortization expenses.

1-2) Refer to Exhibit A, City of Faith's Progress Report. Does the City of Faith have any deployment obligations/milestones attached to the CAF-BLS funding received in 2024? If yes, please identify those deployment obligations/milestones and provide a summary of the City of Faith's progress toward meeting those obligations/milestones. If all obligations/milestones have been met, please identify such.

Response: CAF-BLS obligations were due 12/31/23 [REDACTED]  
[REDACTED]  
[REDACTED]

1-3) Did the City of Faith experience any damage to company assets in 2024 because of a 3<sup>rd</sup> party's failure to call 811 for locates? If yes, for each instance please summarize the damage that occurred and the impacts the event had on City of Faith's services, if any.

Response: City of Faith did not experience any damage to company assets in 2024 due to a third party's failure to call 811 for locates.
