**[CONFIDENTIAL – NOT FOR PUBLIC INSPECTION]**

Applicant hereby requests confidential treatment of **Confidential Attachment 1**. **Confidential Attachment 1** consists of a geographical map detailing the network that Applicant will initially utilize to provide service to South Dakota customers (the "Confidential Information"). Such information constitutes trade secrets or commercial information within the meaning of South Dakota Administrative Rules § 20:10:01:39(4) and South Dakota Codified Laws § 15-6-26(c)(7). Applicant requests that the Confidential Information being provided to the Commission continue to be treated as confidential before, during, and after the proceedings in the above-captioned matter.

The Confidential Information contains information that is commercially sensitive and is not available to the general public. Unrestricted availability of the details of the Confidential Information would provide competitors with information regarding the Applicant which competitors could use to evaluate Applicant's business strategies to the Applicant's detriment. Such availability would disclose certain non-public details of Applicant's business and could ultimately result in a competitive disadvantage to Applicant. Confidential treatment of the Confidential Information is therefore requested to avoid potential commercial injury.
