throughout the State of South Dakota**

Docket No. TC25-033

Applicant's Responses to Data Requests Dated July 29, 2025

- 1-2. Refer to response to ARSD 20:10:24:02(8). Provide a map showing the geographic areas with particularity where Zayo proposes to serve.

Response: A map showing the geographic areas where Applicant proposes to initially offer service in South Dakota is included as **Confidential Attachment 1**.

Such maps depict the current network of Applicant's affiliates in South Dakota, which are the areas in which Applicant proposes to initially offer service. However, Applicant seeks authority to provide interexchange services statewide so that it may expand its operations into other areas of the State should future market conditions warrant.

to Provide Resold and Facilities-Based Interexchange Telecommunications Services
throughout the State of South Dakota**

Docket No. TC25-033

Applicant's Responses to Data Requests Dated July 29, 2025

- 1-3. Provide an explanation on how Zayo will serve rural areas as well as areas that are hard to reach geographically within the state.

Response: Applicant's business is building communications solutions for enterprise and carrier customers individually for each project's specific goals. As such, Applicant works with customers individually to create customized solutions that account for the customer's unique needs, including those that may arise due to geographical locations in rural areas and hard to reach sites.

Docket No. TC25-033

Applicant's Responses to Data Requests Dated July 29, 2025

- 1-4. Refer to response to ARSD 20:10:24:02 (12). Provide in detail any policies, procedures, or efforts that are in place to prevent the unauthorized switching of interexchange customers.

Response: Applicant's customers are sophisticated enterprise and carrier customers whose service arrangements are governed by individual case basis contracts. Any changes to customers' carrier of record are accomplished in accordance with such contracts and relevant federal and state law, which includes, as applicable, the customer authorization and notification procedures outlined in 47 C.F.R. § 64.1120, including providing notice to affected customers and obtaining consent to the extent required by contract or other applicable law.

Docket No. TC25-033

Applicant's Responses to Data Requests Dated July 29, 2025

- 1-5. Refer to response to ARSD 20:10:24:02 (15). Provide a statement as to whether or not the applicant is in good standing with the appropriate regulatory agency in the states where it is registered or certified, and a detailed explanation of why the applicant is not in good standing in a given state, if applicable as required by 20:10:24:02(15). (Note that not being denied, suspended, terminated, or revoked by any state does not necessarily mean that you are in good standing with those states.)

Response: Applicant is in good standing with the appropriate regulatory agency in the states where it is registered or certified.
