Need help paying your phone bill?

Many low-income families qualify for assistance with phone charges, but don't realize that this help is available. You are allowed only one Lifeline discount per household. You cannot transfer your Lifeline discount to someone else, even if he or she is eligible.

Lifeline is a federally funded program created to provide every customer the opportunity to have affordable internet and/or telephone service. Lifeline provides qualified customers with a monthly discount if you are enrolled in one of the following:

- Food Stamps (SNAP)
- Federal Public Housing Assistance (FPHA)
- Supplemental Security Income (SSI)
- Medicaid
- Veterans Pension and Survivors Pension

Individuals who live on a federally recognized reservation or trust land may qualify for a discount if they receive assistance from one of the following:

- Any of the programs listed above
- Bureau of Indian Affairs General Assistance
- Tribally Administered Temporary Assistance for Needy Families (TANF)
- Tribal Head Start (meeting income qualifying standards)
- Food Distribution Program on Indian Reservations (FDPIR)

If you do not participate in one or more of the programs listed above, you may qualify for Lifeline if your household income does not exceed 135% of the Federal Poverty Guidelines (see table to the right).

Number in Residence	135% Guideline (Annual)
1	\$20,331
2	\$27,504
3	\$34,857
4	\$42,120
5	\$49,383
6	\$56,646
7	\$63,909
8	\$71,172

For each additional person, add \$7,263.

Letter – Lifeline Availability

letter to customers

Lifeline

Lifeline and Toll Blocking support is available from Venture Communications. These programs provide discounts to eligible low-income consumers to help them establish and maintain telephone service.

Lifeline assistance lowers the cost of basic, monthly broadband and/or local telephone service. Eligible consumers can receive up to \$9.25 per month in discounts. In addition, the Federal Universal Service Charge is not assessed to consumers participating in Lifeline.

Toll Blocking prevents the placement of all long-distance calls for which a subscriber would be charged. Toll Blocking is available to eligible consumers at no cost.

Customers are eligible if they, one of their dependents or their household participate in one of the following programs:

- Federal Public Housing Assistance (Section 8)
- Supplemental Nutrition Assistance Program (SNAP), f/k/a Food Stamps
- Medicaid
- Supplemental Security Income (SSI)
- Veteran's Pension or Survivors Pension

In addition, consumers are eligible if their household income is at or below 135% of the federal poverty guidelines.

Venture Communications voice and broadband services are Lifeline-supported services. Only eligible consumers may enroll in the Lifeline program. Lifeline applicants must present documentation demonstrating eligibility either through participation in one of the qualifying federal assistance programs or through income-based means. Lifeline recipients are required to recertify their eligibility every year. The Lifeline program is limited to one benefit per household, consisting of either wireline or wireless service. A household is defined for purposes of the Lifeline program, as an individual or group of individuals who live together at the same address and share income and expenses. Lifeline is a government benefit program, and consumers who willfully make false statements in order to obtain the benefit can be punished by fine or imprisonment or can be barred from the program.

To apply for this low-income assistance, please go to the National Lifeline website at www.lifelinesupport.org, or contact Venture Communications at 605.852.2224 for further information.

Visit www.venturecomm.net to view services available in your area.

To Report Trouble

When reporting trouble to our service desk or off-hours answering service, please provide the following information:

1. Your full name and street address.
2. Your telephone number or account number.
3. What the trouble is.
4. If possible, a telephone number where you can be reached.

Report Trouble Immediately

If you experience service trouble, call our business office by dialing 605-852-2224 or 800-824-7282 as soon as possible. Venture will not know you are without service unless reported. Outside of our normal business hours, our headquarters telephones are answered by an After Hours Service who will notify the specific personnel "on call" for that area. All attempts are made to repair telephone trouble within the first 24 hours of being reported.

Customer Assurance Plan

Nobody likes to worry about what might happen. That's why we have developed our *Customer Assurance Plan* to protect you in case of the unexpected. If you have trouble with the telephone wiring or installed jacks inside your home or business, our technicians will repair the problem at no cost to you. Without this protection, a problem in the wiring within your house will cost you time and materials, which can quickly run into a large sum of money. Don't wait!! Call our office today at 605-852-2224 or 1-800-824-7282 to have our *Customer Assurance Plan* placed on your line.

LIFELINE & ENHANCED LIFELINE DISCOUNTS

The federal government, through Venture Communications offers a program to its low-income subscribers that results in a rate reduction on monthly services. Subscribers who participate in any of the following programs also qualify for participation in the federal Lifeline program:

Medicaid (e.g. Title XIX/Medical, State Supplemental Assistance)
Supplemental Nutrition Assistance Program (SNAP)
formerly known as Food Stamps
Supplemental Security Income (SSI)
Federal Public Housing Assistance (Section 8)
Veteran's Pension or Survivor's Pension

In addition, a subscriber may qualify for this program if their household income is at or below 135 percent of the Federal Poverty Guidelines.

Participation in any of the above programs as well as some tribal assistance programs will qualify a subscriber living on tribal lands for the Enhanced Lifeline program.

For additional information and applications form, please go to www.checklifeline.org or contact our office at 800-824-7282.

Fiber's the new SHERIFF IN TOWN

OUTLAW SLOW SPEEDS WITH A 3 MONTH TRIAL

Fiber has officially earned the sheriff's badge for its virtually unlimited speed capacity — the fastest of all broadband technologies. Here's the deal: enjoy the next speed tier for 3 months while paying the same rate you pay now.

If you're on 100 Mbps, try 250 Mbps. On 250? Try 500 Mbps or even 1 Gig. The best way to see the difference faster internet makes is to experience it in your own home. You've got nothing to lose — except buffering!

CALL 605-852-2224 TODAY!

Your 3 month trial begins on the date of your residential internet speed upgrade. After 3 months, Venture Communications will automatically begin charging you the new price of the faster internet plan unless you contact us to revert to your original plan.

National Do Not Call Registry

The Federal Communications Commission and Federal Trade Commission established the National Do Not Call Registry to help you reduce unwanted calls. Most commercial telemarketers are not allowed to call you if your number is listed on the registry, which covers both interstate and intrastate telemarketing calls.

However, the National Do Not Call Registry will not prevent all unwanted calls. It does NOT cover calls from organizations with which you have established a business relationship, calls for which you have given prior written consent, calls which are not commercial or do not include unsolicited ads, or calls by or on behalf of tax-exempt nonprofit organizations.

You may register your residential phone numbers (landline and cellular) for free, and they will remain on the National Do Not Call Registry unless you remove them. If you receive an unwanted call after your number has been on the registry for 31 days, report it to the FTC at www.donotcall.gov/report.html.

To register by phone, call 888-382-1222. You must call from the number you wish to register. For the hearing impaired, TTY call 866-290-4236. Or register online at www.donotcall.gov.

Fiber Optics Battery Backup

A backup power supply (battery) is required in order for your digital voice service to be in service in the event of a power outage. A backup battery, like the one Venture Communications has provided and installed, allows regular corded landline phones to work during a power outage, giving customers the ability to connect to 911 emergency services. Without a battery backup, customers will not be able to make any calls.

If a power outage occurs, make sure you have a corded single-line phone connected directly to the ONT (optical network terminal) or your in-home wiring (wall jack) and the ONT connected directly to the battery backup unit. If you connect a cordless phone, it will not function without a separate battery backup, and most cordless phones are not so equipped.

Venture Communications' battery backup does not provide power to any service other than voice. Security systems, medical monitoring devices, and other equipment will not run on a home phone backup battery.

The backup battery provided by Venture Communications is expected to last up to eight hours in the event of a power outage — depending on battery age, usage, and environment. Proper battery care includes storing at normal room temperatures. Battery backup units will display a light when the battery needs to be replaced. If you see this light, call Venture at 605-852-2224. We also offer a 24-hour backup solution for customers who feel they need additional backup time for their home voice services, which is available for \$170.95. Contact Venture Communications for warranty information or more details.

Venture Communications Scholarships

Each year, Venture Communications awards 14 Community Service Scholarships of \$750 each. To be considered for one of them, a student must meet this criteria:

- Be a graduating high school senior in 2026 from a school in our serving area
- Have a parent or legal guardian who's an active subscriber of a Venture service
- Have a cumulative B grade point average or above

More scholarship details can be obtained from the high school guidance counselor or at venturecomm.net/scholarships. Deadline to submit applications is March 6th, 2026.

Lifeline and Link-Up Programs

Venture Communications is proud to have helped many customers this past year through the FCC's Lifeline Link-Up Program, providing discounted installation and monthly telephone service to qualifying consumers.

Lifeline Program

You may be eligible for the Lifeline Program and receive up to \$9.25 monthly savings if you are a participant in at least one of the following programs: Medicaid, Supplemental Nutrition Assistance Program (SNAP), Supplemental Security Income (SSI), Federal Public Housing Assistance (Section 8), or Veterans Pension and Survivors Benefit.

In addition, you may be eligible for the monthly savings if your household income is at or below 135% of the federal poverty guidelines. To see if you qualify, go to lifelinesupport.org.

Enhanced Lifeline Program

The Enhanced Lifeline Program provides telephone service to anyone who lives on tribal lands. It expands the eligibility requirements listed under the Lifeline Program to also include participation in: Bureau of Indian Affairs General Assistance programs, Tribally Administered Temporary Assistance for Needy Families, Tribal Head Start, or the Food Distribution Program on Indian Reservations.

Link-Up Program

Another Federal Program, Link-Up, provides for financial assistance with no connection charges for new customers living on tribal land.

If you meet the eligibility requirement, you can apply one of two ways:

1. For a quicker response — complete your application online at www.lifelinesupport.org.
2. Mail your paper application to the Lifeline Support Center.

Applications are available online at lifelinesupport.org or at your local Venture Communications office. If you have any questions about Lifeline or Link-Up, call us at 605-852-2224.

Important Notice About Your Account

Federal law allows us to use information from your current records to tell you about new products and services that may satisfy your communications needs, unless you notify us otherwise.

What is this information?
Customer Proprietary Network Information (CPNI) relates to the telecommunications services you receive from Venture Communications.

How can we use this information?
We can use it to advise you about new, innovative communications services, technology, and products offered by Venture Communications or our subsidiaries, which include Venture Wireless and Venture Vision. We DO NOT sell or in any way provide this information to any other company other than the 911 records we are required by law to provide if you are a telephone customer.

What action is necessary on my part to show consent?
No action is necessary. If we don't hear from you within 30 days asking us to stop, we'll continue sending you our marketing and educational mailings.

What if I do not consent?
Contact us at 605-852-2224, and you will not receive company information from us moving forward.
