RE: Application of Impact Telecom, LLC to operate as a provider of competitive interexchange services throughout the state of South Dakota

Dear Ms. Van Gerpen:

Impact Telecom, LLC ("Impact") provides this letter of transmittal, the $250 application fee, and submits the enclosed information to the South Dakota Public Utilities Commission ("Commission") for authority to operate as a provider of competitive local and interexchange services throughout the state of South Dakota ("Application") pursuant to Chapter 20:10:13 of the South Dakota Administrative Rules. The Application, consisting of the application itself and the attachments, has been separately e-filed.

In accordance with ARSD §§ 20:10:01:39-42, Impact respectfully requests confidential treatment of certain information contained in this filing. In compliance with ARSD § 20:10:01:41, material containing confidential information has been marked as "Confidential" and submitted separately (not e-filed) in a sealed envelope along with this filing.

(1) Impact requests confidential treatment of the following documents that are confidential in their entirety:

Exhibit D – Financial Information. This information is required for the Application, but contains proprietary and confidential information that could be misappropriated by parties for their commercial benefit and to Impact's detriment if not treated as confidential.
