On April 18, 2007, the Public Utilities Commission (Commission) received a filing by MidAmerican Energy Company (MidAmerican) for Commission consideration of an Energy Efficiency Plan (Plan). The Plan contains programs designed for MidAmerican's gas and electric customers in South Dakota, phased in over a three-year period. For each program, MidAmerican has included design, implementation, costs, projected energy savings and cost-effectiveness data. The Plan also includes a phase-in of particular programs over a three-year period commencing in January 2008, annual reporting to the Commission and a cost recovery mechanism. On February 25, 2009, the Commission received a revised Energy Efficiency Plan from MidAmerican.

At its regularly scheduled meeting of March 24, 2009, the Commission voted unanimously to approve MidAmerican's revised Energy Efficiency Plan and approved its revised tariff sheets with an effective date of May 1, 2009.
