	EL17-055

On December 15, 2017, Crocker Wind Farm, LLC filed with the South Dakota Public Utilities Commission (Commission) an Application for an energy facility permit and a 345 kV Transmission Line (Projects) to construct the Crocker Wind Farm, a wind energy facility located on located on approximately 29,331 acres of privately owned land in Clark County, South Dakota, approximately 8 miles north of Clark, South Dakota. The proposed Projects includes up to 120 wind turbines, associated access roads, a new collector substation, an operations and maintenance facility, and associated 345 kilovolt ("kV") transmission in Clark County, South Dakota. The Projects will result in the installation of approximately 5.2 miles of overhead transmission that will be wholly located within the Wind Farm's boundary. The Transmission Line Route will run from a substation in Section 30 of Township 119N, Range 58W to the Point-of-Interconnect ("POI"), which is located approximately 2 miles north of the town of Crocker in Section 9 of Township 119N, Range 58W. Two routing options from the substation in Section 30 are under consideration. At the POI, the power will transfer to the Basin Electric Groton-to-Watertown 345 kV transmission line, part of the Southwest Power Pool, Inc. / Western Area Power Administration Transmission line portfolio in Clark County, South Dakota. The Projects would generate utility scale electric power for residential, commercial, and industrial consumers. The Commission has jurisdiction over this matter pursuant to SDCL Chapters 1-26 and 49-41B and ARSD Chapter 20:10:22.

Pursuant to SDCL 49-41B-15 and 49-41B-16, the Commission will hold a public input hearing regarding the Projects on Monday, February 5, 2018, at 5:00 p.m., Clark American Legion Hall, 103 N. Commercial St., Clark, South Dakota.

The purpose of the public input hearing will be to hear public comments regarding the permit Application and the Projects. At the hearing, Applicant will present a brief description of the Projects, following which interested persons may appear and present their views, comments and questions regarding the Application. A copy of the Application is on file with the Clark, Day, and Spink County Auditors pursuant to SDCL 49-41B-15(5) and at the Commission's office in Pierre. The Application and all other documents in the case, including detailed maps of the Projects, may be accessed on the Commission's web site at www.puc.sd.gov under Commission Actions, Commission Dockets, Electric Dockets, 2017 Electric Dockets, EL17-055 or by contacting the Commission in person at the Capitol Building, 500 E. Capitol Ave., Pierre, SD, or by phone at (605) 773-3201 or (800) 332-1782.

Pursuant to SDCL 49-41B-17 and ARSD 20:10:22:40, the parties to this proceeding are currently the Applicant and the Commission. Any person residing in the area of the Projects; each municipality, county, and governmental agency in the area where the Projects is proposed to be sited; any non-profit organization formed in whole or in part to promote conservation or natural beauty, to protect the environment, personal health or other biological values, to preserve historical sites, to promote consumer interests, to represent commercial and industrial groups, or to promote the orderly development of the area in which the Projects is to be sited; or any

interested person, may be granted party status in this proceeding by making written application to the Commission. Applications for party status will be available at the public input hearing or may be obtained from the Commission's web site or by contacting the Commission. **Applications for party status must be received by the Commission on or before 5:00 P.M. CDT on February 13, 2018.**

Following the public input hearing, the Commission may schedule a formal evidentiary hearing conforming to SDCL Chapter 1-26 to consider any issues raised by any intervening party, the Commission's staff, or the Commission itself. At such formal hearing, all parties will have the opportunity to appear, present evidence, and cross-examine the other parties' witnesses and exercise all other rights afforded by SDCL Chapters 1-26, 49-1, and 49-41B and ARSD Chapters 20:10:01 and 20:10:22, including rights of appeal to the courts. Absent a contested issue, the Commission will schedule the matter for decision at a regular or ad hoc meeting of the Commission.

For approval, the Applicant must show that the proposed Wind Energy Facility Project and Transmission Facility will comply with all applicable laws and rules, will not pose a threat of serious injury to the environment nor to the social and economic condition of inhabitants or expected inhabitants in the siting area, will not substantially impair the health, safety or welfare of the inhabitants, and will not unduly interfere with the orderly development of the region with due consideration having been given to the views of governing bodies of affected local units of government. Based upon these factors, the Commission will decide whether the permit should be granted, denied, or granted upon such terms, conditions, or modifications of the construction, operation, or maintenance as the Commission finds appropriate. It is therefore

ORDERED, that the Commission will hold a public input hearing on the Application and Projects on **February 5, 2018, at 5:00 p.m., Clark American Legion Hall**, located at 103 N. Commercial St., Clark, South Dakota. It is further

ORDERED, that pursuant to **SDCL 49-41B-17 and ARSD 20:10:22:40**, applications for party status must be filed on or before 5:00 P.M. CDT on February 13, 2018.

Pursuant to the Americans with Disabilities Act, these hearings will be held in physically accessible locations. Please contact the Public Utilities Commission at (605) 773-3201 or (800) 332-1782 at least 48 hours prior to the hearing if you have special needs so arrangements can be made to accommodate you.

Dated at Pierre, South Dakota, this 20th day of December 2017.
