With the assistance of the above-referenced utilities, Commission staff has confirmed the service territory boundary shared by these utilities and has prepared updated mapping information. Commission staff requests approval of the agreement to update official mapping data to properly reflect the service territory boundaries shared by the utilities in this docket. On December 13, 2017, staff filed a corrected Exhibit B that added section lines.

On December 14, 2017, the Commission electronically transmitted notice of the filing and the intervention deadline of December 29, 2017, to interested individuals and entities on the Commission's PUC Weekly Filings electronic listserv.
