On January 5, 2018, the South Dakota Public Utilities Commission (Commission) received a filing from the Commission's staff (Staff) regarding an Electric Service Territory Boundary Agreement (Agreement) between the City of Pierre and the City of Fort Pierre. This filing was made pursuant to current efforts of the Commission to verify electric territory mapping data for conversion to electronic format and use in a Geographic Information System (GIS) database. With the assistance of the above-referenced utilities, Staff has confirmed the service territory boundary shared by these utilities and has prepared updated mapping information. Staff requested approval of the Agreement to update official mapping data to properly reflect the service territory boundaries shared by the utilities in this docket.

On January 11, 2018, the Commission electronically transmitted notice of the filing and the intervention deadline of January 26, 2018, to interested individuals and entities on the Commission's PUC Weekly Filings electronic listserv. No petitions to intervene or comments were filed. The Commission has jurisdiction over this matter pursuant to SDCL 49-34A, specifically, 49-34A-42, 49-34A-43, and 49-34A-55.

At its regularly scheduled meeting on February 8, 2018, the Commission considered this matter. Staff requested approval of the Agreement in order to update official electric service territory mapping data to accurately reflect current service territories served by the utilities. The Commission voted unanimously to approve the Agreement. It is therefore

ORDERED, that the request for approval of the Agreement to update mapping data to reflect current electric service territory boundaries shared by the City of Pierre and the City of Fort Pierre is hereby granted.
