On February 26, 2018, the South Dakota Public Utilities Commission (Commission) received a filing from the Commission's staff (Staff) regarding an Electric Service Territory Boundary Agreement (Agreement) between Aurora Municipal Electric and Sioux Valley Energy. This filing is made pursuant to current efforts of the PUC to verify electric territory mapping data for conversion to electronic format and use in a Geographic Information System (GIS) database. With the assistance of the above-referenced utilities, Commission staff has confirmed the service territory boundary shared by these utilities and has prepared updated mapping information. Commission staff asks for approval of the agreement to update official mapping data to properly reflect the service territory boundaries shared by the utilities in this docket.

On March 1, 2018, the Commission electronically transmitted notice of the filing and the intervention deadline of March 16, 2018, to interested individuals and entities on the Commission's PUC Weekly Filings electronic listserv. Staff requested approval of the Agreement in order to update official electric service territory mapping data to accurately reflect current service territories served by the utilities. The Commission voted unanimously to approve the Agreement. It is therefore
