On September 15, 2014, TransCanada Keystone Pipeline, LP (TransCanada) filed with the South Dakota Public Utilities Commission (Commission) a Petition for Order Accepting Certification under SDCL §49-41B-27 seeking an order accepting certification of the energy facility permit issued in Docket HP09-001 for construction of the Keystone XL Pipeline. On June 29, 2010, the Commission issued an Amended Final Decision and Order; Notice of Entry granting a permit to TransCanada for construction of the Keystone XL Pipeline. TransCanada now seeks an order accepting certification pursuant to SDCL 49-41B-27. The Commission has jurisdiction over this matter pursuant to SDCL Chapters 1-26 and 49-41B, specifically 49-41B-27, and ARSD Chapters 20:10:01, specifically 20:10:01:22.01, and 20:10:22.

On September 18, 2014, the Commission electronically transmitted notice of the filing and the intervention deadline of October 15, 2014, to interested individuals and entities on the Commission's PUC Weekly Filings electronic listserv. Applications for Party Status were received from forty-three persons, and on November 4, 2014, the Commission issued an Order Granting Intervention and Party Status to forty-two of the applicants. Three parties have since been granted withdrawal of party status. On December 17, 2014, the Commission issued an Order Granting Motion to Define Issues and Setting Procedural Schedule (Procedural Schedule). In the Procedural Schedule, the Commission ordered parties to file pre-filed testimony by April 2, 2015. On April 3, 2015, the Commission issued an Order Granting in Part Motion to Amend Procedural Schedule, in which the Commission ordered that all pre-hearing motions would be heard on April 14, 2015. On April 10, 2015, the Commission issued an Order Granting Reconsideration and Amending in Part Procedural Schedule that allowed Rosebud Sioux Tribe until April 24, 2015, to file pre-filed testimony.

On April 8, 2015, the Commission received an Opposition to Keystone's Motion to Preclude Certain Intervenor from Offering Witnesses or Evidence at Hearing and a Joint Motion for Special Master, and/or New Motion for PUC Review and Clarification (Motion) from intervenor Nancy Hilding. In the Motion, Ms. Hilding requested that the Commission undertake a review of TransCanada's December 18, 2014, discovery requests to all parties to determine their appropriateness and enforceability.

At its regularly scheduled Commission meeting on April 14, 2015, the Commission considered the Motion. The Commission voted unanimously to deny the Motion.

It is therefore

ORDERED, that intervenor Nancy Hilding's Motion is denied.

Dated at Pierre, South Dakota, this 22nd day of April, 2015.
