On December 30, 2019, the South Dakota Public Utilities Commission (Commission) received a filing from MidAmerican Energy Company (MidAmerican). This filing is for approval of the continuation of the Incentive Gas Supply Procurement Plan (IGSPP). This program was initially approved for a three-year term in 1995 and was again approved for three-year terms with modifications in 1999 and 2002. The plan was also approved for a five-year term without modifications in 2005 and for three-year terms without modifications in 2010, 2013, and most recently in 2016. The original filing proposes to continue the current structure of the IGSPP, without modifications from the IGSPP currently in place, for a period of three years beginning November 1, 2019, through October 31, 2022. On March 23, 2020, MidAmerican filed a letter requesting to withdraw the filing without prejudice.

On January 2, 2020, the Commission electronically transmitted notice of the filing and the intervention deadline of January 17, 2020, to interested individuals and entities on the Commission's PUC Weekly Filings electronic listserv. No petitions to intervene or comments were filed.

The Commission has jurisdiction in this matter pursuant to SDCL Chapters 1-26 and 49-34A and ARSD Chapters 20:10:01, specifically 20:10:01:02.04. At its regularly scheduled meeting on June 23, 2020, the Commission considered the request to withdraw. The Commission voted unanimously to grant the request to withdraw without prejudice. It is therefore

ORDERED, that MidAmerican's request to withdraw its Application for Authority to Continue Incentive Gas Supply Procurement Plan is hereby granted without prejudice.

Dated at Pierre, South Dakota, this 23rd day of June 2020.
