DAKOTA) TC97-007**

On January 16, 1997, the Public Utilities Commission (Commission), in accordance with SDCL 49-31-3 and ARSD 20:10:24:02, received an application for a certificate of authority from Heartland Telecommunications Company of Iowa d/b/a Hickory Tech Corporation (Heartland).

Heartland seeks authority to operate as a telecommunications company and provide local exchange service within the state of South Dakota. A proposed tariff was filed by Heartland. The geographic areas in which Heartland will offer these services are the portion of the Hawarden, Iowa, exchange and the portion of the Akron, Iowa, exchange located in South Dakota. Heartland purchased 11 exchanges from U S WEST Communications, Inc. (TC96-089), two of which extend into South Dakota. The purchase was approved by the Iowa Utilities Board on May 30, 1996.

On January 16, 1997, the Commission electronically transmitted notice of the filing and the intervention deadline of January 31, 1997, to interested individuals and entities. No petitions to intervene or comments were filed and a regularly scheduled March 4, 1997, meeting, the Commission considered Heartland's request for a certificate of authority. Commission Staff recommended granting a certificate of authority.

The Commission finds that it has jurisdiction over this matter pursuant to Chapter 49-31, specifically 49-31-3 and ARSD 20:10:24:02 and 20:10:24:03. The Commission finds that Heartland has met the legal requirements established for the granting of a certificate of authority. Heartland has, in accordance with SDCL 49-31-3, demonstrated sufficient technical, financial and managerial capabilities to offer telecommunications services in South Dakota. The Commission approves Heartland's application for a certificate of authority. As the Commission's final decision in this matter, it is therefore

ORDERED, that Heartland's application for a certificate of authority is hereby granted, effective April 10, 1997, as requested by Heartland. It is

FURTHER ORDERED, that Heartland shall file informational copies of tariff changes with the Commission as the changes occur.

Dated at Pierre, South Dakota, this 11th day of March, 1997.
