SOUTH DAKOTA)

ORDER GRANTING
CERTIFICATE OF
AUTHORITY

TC97-156

On September 15, 1997, the Public Utilities Commission (Commission), in accordance with SDCL 49-31-3 and ARSD 20:10:24:02, received an application for a certificate of authority from Discount Call Rating, Inc. (DCR).

DCR proposes to offer inbound, outbound conference, directory assistance, calling card, prepaid calling card, and private line services to presubscribed business customers and residential customers in South Dakota. A proposed tariff was filed by DCR. The Commission has classified long distance service as fully competitive.

On September 18, 1997, the Commission electronically transmitted notice of the filing and the intervention deadline of October 3, 1997, to interested individuals and entities. No petitions to intervene or comments were filed and at its regularly scheduled December 2, 1997, meeting, the Commission considered DCR's request for a certificate of authority. Commission Staff recommended granting a certificate of authority, subject to the condition that DCR not offer a prepaid calling card or require deposits or advance payments without prior approval of the Commission.

The Commission finds that it has jurisdiction over this matter pursuant to Chapter 49-31, specifically 49-31-3 and ARSD 20:10:24:02 and 20:10:24:03. The Commission finds that DCR has met the legal requirements established for the granting of a certificate of authority. DCR has, in accordance with SDCL 49-31-3, demonstrated sufficient technical, financial and managerial capabilities to offer telecommunications services in South Dakota. The Commission approves DCR's application for a certificate of authority, subject to the condition that DCR not offer a prepaid calling card or require deposits or advance payments without prior approval of the Commission. As the Commission's final decision in this matter, it is therefore

ORDERED, that DCR's application for a certificate of authority is hereby granted, subject to the condition that DCR not offer a prepaid calling card or require deposits or advance payments without prior approval of the Commission. It is

FURTHER ORDERED, that DCR shall file informational copies of tariff changes with the Commission as the changes occur.

Dated at Pierre, South Dakota, this 12th day of December, 1997.
