SERVICES IN SOUTH DAKOTA)**

**ORDER GRANTING CERTIFICATE
OF AUTHORITY**

TC98-190

On October 28, 1998, the Public Utilities Commission (Commission), in accordance with SDCL 49-31-3 and ARSD 20:10:24:02, received an application for a certificate of authority from Enhanced Communications Network, Inc. (Enhanced).

Enhanced proposes to offer a full range of 1+ interexchange telecommunications services on a resale basis. Enhanced seeks authority to provide MTS, out-WATS, and prepaid calling card services. A proposed tariff was filed by Enhanced. The Commission has classified long distance service as fully competitive.

On October 29, 1998, the Commission electronically transmitted notice of the filing and the intervention deadline of November 12, 1998, to interested individuals and entities. No petitions to intervene or comments were filed and at its regularly scheduled January 26, 1999, meeting, the Commission considered Enhanced's request for a certificate of authority. Commission Staff recommended granting a certificate of authority, subject to the condition that Enhanced not offer a prepaid calling card or require deposits or advance payments without prior approval of the Commission.

The Commission finds that it has jurisdiction over this matter pursuant to Chapter 49-31, specifically 49-31-3 and ARSD 20:10:24:02 and 20:10:24:03. The Commission finds that Enhanced has met the legal requirements established for the granting of a certificate of authority. Enhanced has, in accordance with SDCL 49-31-3, demonstrated sufficient technical, financial and managerial capabilities to offer telecommunications services in South Dakota. The Commission approves Enhanced's application for a certificate of authority, subject to the condition that Enhanced not offer a prepaid calling card or require deposits or advance payments without prior approval of the Commission. As the Commission's final decision in this matter, it is therefore

ORDERED, that Enhanced's application for a certificate of authority is hereby granted, subject to the condition that Enhanced not offer a prepaid calling card or require deposits or advance payments without prior approval of the Commission. It is

FURTHER ORDERED, that Enhanced shall file informational copies of tariff changes with the Commission as the changes occur.

Dated at Pierre, South Dakota, this 3rd day of February, 1999.
