

**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF SOUTH DAKOTA**

IN THE MATTER OF THE APPLICATION OF)	ORDER GRANTING
TRALEE TELEPHONE COMPANY, LLC FOR A)	CERTIFICATE OF
CERTIFICATE OF AUTHORITY TO PROVIDE)	AUTHORITY
INTEREXCHANGE TELECOMMUNICATIONS)	
SERVICES IN SOUTH DAKOTA)	TC02-103

On August 12, 2002, the Public Utilities Commission (Commission), in accordance with SDCL 49-31-3 and ARSD 20:10:24:02, received an application for a certificate of authority from Tralee Telephone Company, LLC (TTC).

TTC proposes to offer a full range of "1+" interexchange telecommunications services on a resale basis. A proposed tariff was filed by TTC. The Commission has classified long distance service as fully competitive.

On August 15, 2002, the Commission electronically transmitted notice of the filing and the intervention deadline of August 30, 2002, to interested individuals and entities. No petitions to intervene or comments were filed and at its October 17, 2002, meeting, the Commission considered TTC's request for a certificate of authority. Commission Staff recommended granting a certificate of authority, subject to the condition that TTC not offer a prepaid calling card or require or accept deposits or advance payments without prior approval of the Commission. Commission Staff further recommended a waiver of ARSD 20:10:24:02(8).

The Commission finds that it has jurisdiction over this matter pursuant to SDCL Chapter 49-31, specifically 49-31-3 and ARSD 20:10:24:02 and 20:10:24:03. The Commission finds that TTC has met the legal requirements established for the granting of a certificate of authority. TTC has, in accordance with SDCL 49-31-3, demonstrated sufficient technical, financial and managerial capabilities to offer telecommunications services in South Dakota. Further, the Commission finds that there is good cause to waive ARSD 20:10:24:02(8). The Commission approves TTC's application for a certificate of authority, subject to the condition that TTC not offer a prepaid calling card or require or accept deposits or advance payments without prior approval of the Commission. As the Commission's final decision in this matter, it is therefore

ORDERED, that TTC's application for a certificate of authority to provide interexchange telecommunications services is hereby granted, subject to the condition that TTC not offer a prepaid calling card or require or accept deposits or advance payments without prior approval of the Commission. It is

FURTHER ORDERED, that the Commission waives ARSD 20:10:24:02(8). It is

FURTHER ORDERED, that TTC shall file informational copies of tariff changes with the Commission as the changes occur.

Dated at Pierre, South Dakota, this 31st day of October, 2002.
