| ACT OF 1934 AS AMENDED) | |

On March 9, 2004, Armour Independent Telephone Company, Bridgewater-Canistota Independent Telephone Company and Union Telephone Company (Petitioner) filed a petition seeking suspension or modification of its requirement to implement local number portability (LNP) pursuant to Section 251(b)(2) of the Telecommunications Act of 1996. According to Petitioner, it has received requests to deploy LNP from Celco Partnership d/b/a Verizon Wireless and Western Wireless Corporation d/b/a CellularOne. Petitioner states that it is a small telephone company that serves less than two percent of the nation's subscriber lines installed in the aggregate nationwide, therefore under Section 251(f)(2) Petitioner may petition the Commission for suspension or modification of its obligation to implement LNP within six months of a request to deploy LNP. Petitioner "requests the Commission to (1) issue an interim order that suspends any obligation that may exist for Petitioner to provide LNP until six months after entry of a final order herein; (2) issue a final order that grants a permanent suspension for Petitioner's obligation to implement LNP until conditions are met as described herein; and (3) grant Petitioner such other and further relief that may be proper."

On March 11, 2004, the Commission electronically transmitted notice of the filing and the intervention deadline of March 26, 2004, to interested individuals and entities. WWC License LLC d/b/a CellularOne (Western Wireless) filed to intervene on March 19, 2004, and the South Dakota Telecommunications Association (SDTA) filed to intervene on March 26, 2004.

The Commission has jurisdiction in this matter pursuant to SDCL Chapters 1-26 and 49-31 and ARSD 20:10:01:15.05.

At a regularly scheduled meeting of April 6, 2004, the Commission heard arguments from Petitioner, Western Wireless and SDTA regarding Petitioner's request for an order granting interim suspension. Pursuant to 47 U.S.C. Section 251(f)(2) of the Telecommunications Act of 1996 and SDCL 49-31-80, the Commission voted to grant the request for an interim suspension order pending final decision. The Commission found that the Petitions to Intervene were timely filed and demonstrated good cause to grant intervention. It is therefore

ORDERED, that the request for an interim suspension order pending final decision is hereby granted; and it is further

ORDERED, that the Petitions to Intervene of Western Wireless and SDTA are hereby granted.

Dated at Pierre, South Dakota, this 19th day of April, 2004.
