**ORDER GRANTING  
CERTIFICATE OF  
AUTHORITY  
  
TC08-114**

On September 15, 2008, the Public Utilities Commission (Commission), in accordance with SDCL 49-31-3 and ARSD 20:10:24:02, received an application for a certificate of authority to provide interexchange telecommunications services from Central Telecom Long Distance, Inc. (Central Telecom). The Commission has classified long distance service as fully competitive.

On September 18, 2008, the Commission electronically transmitted notice of the filing and the intervention deadline of October 3, 2008, to interested individuals and entities. No petitions to intervene or comments were filed and at its November 12, 2008, meeting, the Commission considered Central Telecom's request for a certificate of authority. Commission Staff recommended granting a certificate of authority, subject to the condition that Central Telecom not offer any prepaid services (including prepaid calling cards) and not accept or require any deposits or advance payments without prior approval of the Commission. Commission Staff further recommended a waiver of ARSD 20:10:24:02(9) and (17).

The Commission finds that it has jurisdiction over this matter pursuant to SDCL Chapter 49-31, specifically 49-31-3 and ARSD 20:10:24:02 and 20:10:24:03. The Commission finds that Central Telecom has met the legal requirements established for the granting of a certificate of authority. Central Telecom has, in accordance with SDCL 49-31-3, demonstrated sufficient technical, financial and managerial capabilities to offer telecommunications services in South Dakota. Further, the Commission finds that there is good cause to waive ARSD 20:10:24:02(9) and (17). The Commission approves Central Telecom's application for a certificate of authority, subject to the condition that Central Telecom not offer any prepaid services (including prepaid calling cards) and not accept or require any deposits or advance payments without prior approval of the Commission. As the Commission's final decision in this matter, it is therefore

**ORDERED**, that Central Telecom's application for a certificate of authority to provide interexchange telecommunications services is hereby granted, subject to the condition that Central Telecom not offer any prepaid services (including prepaid calling cards) and not accept or require any deposits or advance payments without prior approval of the Commission. It is

**FURTHER ORDERED**, that the Commission waives ARSD 20:10:24:02(9) and (17).  
It is

FURTHER ORDERED, that this order constitutes your certificate of authority as described above.

Dated at Pierre, South Dakota, this 25<sup>th</sup> day of November, 2008.
