--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------	-------------------------------------------------------------------------------------------------------

On March 2, 2009, the South Dakota Public Utilities Commission (Commission) received a filing from Midstate Telecom, Inc. (Midstate) requesting an extension of its exemption from filing a switched access cost study for a period of six months after the effective date of the new rules adopted by the Commission in RM05-002. Midstate further requested approval of its intrastate switched access rate of 11.5 cents per minute.

On March 5, 2009, the Commission electronically transmitted notice of the filing and the intervention deadline of March 20, 2009, to interested individuals and entities. Midcontinent Communications (Midcontinent) filed to intervene on April 7, 2009. On April 14, 2009, the Commission received a Joint Motion for Approval of Settlement Stipulation and Settlement Stipulation from Midstate. On April 20, 2009, the Commission received an Objection to Midcontinent's Petition to Intervene from Midstate. At its regularly scheduled meeting of April 21, 2009, the Commission granted intervention to Midcontinent. On May 14, 2009, the Commission received a Motion for Temporary Approval of Switched Access Rates from Midstate. On May 21, 2009, the Commission received a Motion to Disapprove Settlement Stipulation and for an Evidentiary Hearing from Midcontinent. On June 18, 2009, the Commission received a Motion for Uniformity in Switched Access Rates and for Evidentiary Hearing from Midcontinent.

The Commission has jurisdiction in this matter pursuant to SDCL Chapters 1-26 and 49-31.

At its regularly scheduled meeting of June 23, 2009, the Commission considered the Motion for Temporary Approval of Switched Access Rates. Commission Staff recommended approval. The Commission voted unanimously to grant the Motion for Temporary Approval of Switched Access Rates, with the current rate remaining in effect. The Commission further finds that the Access Rate Settlement Stipulation that froze Midstate's rate at its current level expressly provided that following the expiration of the rate freeze, Midstate could request another extension. It is therefore

ORDERED, that the Motion for Temporary Approval of Switched Access Rates is hereby granted.

Dated at Pierre, South Dakota, this 30th day of June, 2009.
