**TC12-040**

On May 18, 2012, the Public Utilities Commission (Commission) received a filing from the Local Exchange Carrier Association, Inc. (LECA) for approval of revisions to its Access Services Tariff No. 1. The purpose of this filing is to implement the Federal Communication Commission's (FCC) intercarrier compensation reforms as set forth in its Connect America Fund Order (Order), released November 18, 2011.<sup>1</sup> As part of its Order, the FCC adopted "bill-and-keep as the default methodology" and "end state" for all intercarrier compensation traffic, including intrastate traffic. The FCC further adopted a defined "transition path" for moving to this end state. The first reduction mandated by the FCC's Order requires a carrier to reduce its intrastate terminating access rate, if above the carrier's interstate access rate, by 50 percent of the differential between the carrier's intrastate rate and the carrier's interstate access rate. The reduced rates are required to be effective by July 3, 2012.<sup>2</sup>

On May 24, 2012, the Commission electronically transmitted notice of the filing and the intervention deadline of June 8, 2012, to interested individuals and entities. On May 30, 2012, AT&T Communications of the Midwest, Inc. (AT&T) filed a Petition to Intervene. On June 5, 2012, the Commission granted AT&T's Petition to Intervene.

On July 3, 2012, the Commission approved the revisions to LECA's Intrastate Access Services Tariff No. 1 effective as of July 1, 2012, except for sheet 17-4.5, which is the tariff sheet for the City of Brookings Municipal Telephone Department (Brookings). On July 31, 2012, the Commission deferred the matter to a later date. On August 15, 2012, LECA filed a revised tariff sheet 17-4.5. At its August 28, 2012, meeting, the Commission approved LECA's revised Access Services Tariff No. 1, sheet 17-4.5, subject to a retroactive adjustment, if needed, following a hearing regarding this matter.

The Commission has jurisdiction over this matter pursuant to SDCL Chapters 1-26 and 49-31.

On February 27, 2013, the Commission received a letter from AT&T stating that the parties would like to continue the hearing as they believed they have reached a settlement and need time to draft an agreement. Based on this letter, the hearing originally scheduled for February 27, 2013, is cancelled and will be continued. It is therefore

**ORDERED**, that the hearing originally scheduled for February 27, 2013, is hereby cancelled and is continued.
