**ORDER APPROVING

TC17-019

On June 9, 2017, the South Dakota Public Utilities Commission (Commission) received a filing pursuant to 47 U.S.C. § 252 for approval of the Wireline Interconnection Agreement between Qwest Corporation dba CenturyLink QC (CenturyLink) and Native American Telecom, LLC (NAT).

On June 15, 2017, the Commission electronically transmitted notice of the filing of the agreement to interested individuals and entities on the Commission's PUC Weekly Filings electronic listserv. The notice stated that any person wishing to comment on the parties' request for approval had until June 29, 2017, to do so. No comments were filed.

At its July 5, 2017, meeting, the Commission considered whether to approve the negotiated agreement between CenturyLink and NAT. Commission staff recommended approval.

The Commission has jurisdiction over this matter pursuant to SDCL Chapter 49-31 and the Federal Telecommunications Act of 1996. In accordance with 47 U.S.C § 252(e)(2), the Commission found that the agreement does not discriminate against a telecommunications carrier that is not a party to the agreement and the agreement is consistent with the public interest, convenience, and necessity. The Commission unanimously voted to approve the agreement. It is therefore

ORDERED, that the Commission approves the Wireline Interconnection Agreement between CenturyLink and NAT.

Dated at Pierre, South Dakota, this 14th day of July, 2017.
