Meter Number: {var id=METER}

Dear {var id=CUSTNAME},

Our records indicate your utility account is past due as follows:

Disconnect Amount \${var id=PASTDUEAMT} Total Amount of Bill \${var id=TOTALAMT}

Please disregard this notice if payment has been made.

Unless payment of \${var id=PASTDUEAMT} is received prior to {var id=DATEI}, service will be disconnected. Once service is disconnected, payment of the utility bill and any applicable reconnection fee will be required before service is restored.

Reconnection fees:

Electric Service - \$60.00 plus tax during business hours - \$75.00 plus tax after business hours
Gas Service - \$49.00 plus tax during business hours - \$69.00 plus tax after business hours

You have the right to appeal the company's decision to the South Dakota Public Utilities Commission, 500 East Capitol, Pierre, SD 57501, telephone number 800-332-1782.

Residential disconnection may be postponed for a 30-day period by presenting, prior to disconnection, a physician's certificate stating that disconnection would aggravate a resident's existing illness or handicap.

If you believe the charges on your bill are incorrect, we encourage you to contact us to discuss the disputed charges. If we cannot resolve the dispute, you should pay the undisputed portion of the bill and appeal the disputed amount to the South Dakota Public Utilities Commission.

If you have any questions, to make payment (fees may apply) or discuss possible payment arrangements, please call us at 800-245-6977 Monday-Friday, 7 a.m. - 6 p.m. (local time).

Or you can stop by one of our convenient walk-in offices. Please visit NorthWesternEnergy.com for office hours in your area.

Sincerely,

NorthWestern Energy

Dear {var id=CUSTNAME},

As a result of your conversation with NorthWestern Energy on {var id=SYSTEMDATE}, you have agreed to be the guarantor of utility services for:

Account Name: {var id=COMMENT2}
Account Address: {var id=COMMENT3}
Account Number: {var id=COMMENT1}
Guaranteed Amount: \${var id=AMOUNT1}

As a guarantor, you will be responsible for any unpaid utility bills effective {var id=DATE1} on the account. This agreement is in effect for one year from the date of this letter or until you provide NorthWestern Energy with 60 days written notice that you would like to be removed as a guarantor on this account.

During the next 12 months, if the account is closed or disconnected for non-payment and a balance remains unpaid by the customer, this balance will be transferred to your account, and an outside collection agency may be utilized to collect the balance.

It is your responsibility to inform NorthWestern Energy of changes of address, etc. to ensure we are able to contact you regarding the status of the account you have guaranteed.

If you have any questions, please call NorthWestern Energy at 800-245-6977. Customer service representatives are available Monday-Friday, 7 a.m. - 6 p.m.

Dear {var id=CUSTNAME}:

You recently contacted our office to dispute your responsibility for the account above. It is important you complete the enclosed questionnaire and return it to us for review. You must also provide reasons as to why you believe these charges are not yours, as well as any evidence that supports these claims, two (2) forms of identification, and a police report stating that the charges billed to you were without your knowledge.

Please have the form notarized. It is important that you read and complete the instructions as indicated in this packet. If you do not complete all of the requirements, we will continue to hold you responsible for this bill. Upon receipt of the requested information, we will review your situation and make a determination regarding the disputed charges. We will contact you once a decision has been reached.

Please return the completed packet and documentation to:

1.2 Electrical. Company may elect to install overhead or underground facilities to extend service to Customer; provided, however, that the Customer may request underground service pursuant to the Electric Tariff. The parties agree to the following electrical service installation in accordance with the Electrical Tariff:

Underground extension of 0-500 feet. For underground electric services, Company will install facilities to extend a service line without charge to the extent of 500 feet of cable along the shortest feasible route from the distribution line to the point of service attachment. C
C

Overhead extension of 0-500 feet. For services with overhead extension lengths of 0-500 feet, Company will install facilities to extend a service line without charge along the shortest feasible route from the distribution line to the point of service attachment. D

Underground and overhead extensions over 500 feet. For services with primary and/or secondary extension lengths over 500 feet, a contribution in aid of construction ("CIAC") may be required, based on the economics of the service.

Whenever an economic feasibility study is required by this Section 1.2, the Company will take into consideration the total cost of serving the Customer and the expected revenue. If the Company determines the extension of service to the Customer is not economically feasible, the Company may require a CIAC in accordance with Section 1.4 below.

1.3 Natural Gas. The parties agree to the following natural gas service installation in accordance with the Gas Tariff:

Residential – Primary Heating Source. The Company will extend service for the first 150 feet of service pipe without charge to residential customers using natural gas as their primary heating source and for water heating. If the distance is beyond 150 feet, a CIAC may be required upon completion of an economic feasibility study. The distance is _____. C
C

Residential – Other Use. For residential customers using natural gas for space heating only, fireplace only, water heating only, natural gas grill only, or any combination other than primary space heating and water heating, as described above, a CIAC may be required upon completion of an economic feasibility study. The distance is ____.

Mobile Home. The Company will extend service for the first 50 feet of service pipe without charge to Mobile Home customers using natural gas as their primary heating source and for water heating. If the distance is beyond 50 feet, a CIAC may be required upon completion of an economic feasibility study. The distance is _____. C
C

Commercial and Industrial Customers. An economic feasibility study is required. A CIAC may be required upon completion of the study. The distance is _____.

Whenever an economic feasibility study is required by this Section 1.3, the Company will take into consideration the total cost of serving the Customer and the expected revenue. If the Company determines the extension of service to the Customer is not economically feasible, the Company may require a CIAC in accordance with Section 1.4 below.

1.4 Contribution in Aid of Construction – Electrical and Natural Gas. In consideration of the Company's agreement to install service, Customer agrees to pay a CIAC in the sum of \$_____ for construction of the facilities identified in the Quote. If the value entered is zero, no CIAC was required by the Company.

In all instances where a CIAC is required, Company will subsequently review the three-year average use. If actual volumes vary from projected volumes by 20% or more, Company will charge or credit Customer for the variance, without interest, in projected CIAC. L

2. CONDITIONS TO INSTALLATION.

- 2.1 Payment. Company may require payment of a Customer contribution or the CIAC prior to scheduling a construction start date. Company must receive contribution or the CIAC (if prior payment is required) and satisfactory evidence of required permits and right-of-way authority prior to ordering materials, scheduling crews or starting construction.
- 2.2 Right-of-Way and Access. Company has the right of access to the Customer's premise, including right-of-way, at all reasonable times for the purpose of installing, reading, inspecting, or repairing any service lines, meters, devices and other equipment and facilities used in connection with furnishing of any or all service, including any necessary repairs and maintenance, or for the purpose of removing its property and for all other proper purposes.
- 2.3 Permits. Customer shall provide all required permits from appropriate governmental agencies for the construction work and installation of the Company's facilities and Customer's equipment on Customer's premises and the property of third parties. The Company shall obtain required permits for work in the right-of-way. Copies of all permits must be provided to the Company.
- 2.4 Additional Costs. If Customer requests facilities be installed in frozen, rocky or hard ground, the Customer may be responsible for additional charges for installation. Company will notify the Customer of these charges prior to installation when feasible, and otherwise when encountered during the installation work. If Company requires additional charges prior to installation, and the basis for such extra cost is not encountered during the performance of the work, Company shall refund such charges to Customer.
- 2.5 Storm Water. Customer is solely responsible for compliance with all South Dakota Department of Environment and Natural Resources storm water regulations. All soil disturbing activities deemed necessary by the Company for the installation, operation and maintenance of the facilities must be incorporated by Customer in the Storm Water Pollution Prevention Plan. Customer shall operate and maintain all storm water best management practices at all times.
- 2.6 Underground Facilities. Prior to construction, all customer-owned, rented or leased underground facilities (including but not limited to sprinkler systems, septic systems propane tanks and associated lines, and communication and electric lines) must be properly identified and physically marked by Customer. Company is not responsible for damages resulting from mismarked or unidentified customer facilities. Contact the Company's Construction Department with questions related to appropriately marking Customer-owned facilities.
- 2.7 Customer's Equipment. Customer shall install Customer's facilities in accordance with the Company's "New Service Guide" and "Electric Service Requirements & Guidelines." The location of Customer's meter must be approved by Company prior to the installation of equipment owned by the Customer. Customer shall provide service entrance and termination points as specified by the Company's installation standards in effect at the time construction begins.
- 2.8 Trenching, Backfilling and Meter Set. For underground electric services, Customer shall arrange and pay for required trenching and backfilling, consistent with Company specifications required for installation of the service line. Customer shall provide conduit at the meter base and if required by Company, conduit in the trench. Company will not install a service line in an open trench or in Customer-supplied conduit unless the meter base for service is ready for connection, energization and installation of the meter.

2.9 Restoration and Grading. Company will make a reasonable attempt to preserve private roadways and landscaping, but Customer is responsible for final compaction and restoration of private roadways and landscaping, including the removal of excess spoil piles. The Company will not install facilities until the surface has been graded to within six inches of a permanent established elevation. Should changes to grade be made in the future that result in Company's facilities being raised or lowered, Customer is responsible for the costs associated with this change.

L

3. GENERAL CONDITIONS.

3.1 All terms, prices and conditions set forth herein are subject to modification resulting from changes in applicable rules, Tariffs, regulations, ordinances, scope of project, and laws that may be amended or enacted after the date of this Agreement.

3.2 If construction has not commenced within a reasonable period due to any action, omission or failure to act by Customer, the project will be reviewed for any changes in the cost.

3.3 If the facilities required to serve Customer must be relocated or modified at the request of Customer after installation, Customer shall pay the costs of moving Company facilities.

3.4 Company agrees to establish service within a reasonable period of time after Customer's equipment passes inspection by the state and local authorities as required by law. Company will proceed with the survey, design and construction of its facilities in a normal manner using its existing work force (Company employees or contractors) and material supply sources. Installation will be performed during normal working hours and Company may reschedule the work to achieve efficient workload of Company forces. Availability of materials, weather conditions, frozen ground, access, or obtaining permits from governmental agencies or railroads may cause delays beyond the control of Company or Customer.

3.5 If Company is installing lights, the facilities will be placed in a location agreeable to both Customer and Company. Customer is responsible for notifying Company of any outage of Company-owned lights. Company will make repairs and replace defective or damaged facilities within a reasonable time after notice of any outage, but Company does not patrol the system to determine if the lights are in operating condition at all times.

3.6 In the event of a conflict between the terms of this Agreement and the Tariffs, the terms of the Tariffs prevail.

4. ADDITIONAL CONDITIONS.

IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed in duplicate as of the day and year first above written.

THIRD PARTY NOTIFICATION

Please enroll the following customer for NorthWestern Energy's Third Party Notification service.

Third Party Notification service provides notification to another party in the event an account receives a notification of termination of services. A notification of termination of services is issued when utility services are in jeopardy of being disconnected.

The customer name and account number below must match the customer's information with NorthWestern Energy. The Third Party is not responsible for energy charges for the customer.

Customer Information

Completing this form authorizes NorthWestern Energy to provide a copy of the customer's notification of termination of services, not to include verbal notices or door tags left at premises. All fields are required. The form will not be processed if not completed in its entirety. You are not required by law, administrative rule, or NorthWestern Energy to complete this form to receive utility service. It is your responsibility to notify NorthWestern Energy regarding Third Party changes, to include removing Third Parties.

Customer Name _____ Phone _____

NorthWestern Energy Account Number _____

I agree and authorize NorthWestern Energy to provide notifications of termination of services to the party listed below.

This form will only be used for notification of pending termination of services and does not allow the Third Party any additional access or details of the account or additional details regarding the information on the notification.

Customer Signature _____ Date _____

This request will not be accepted without the Customer's signature.

I acknowledge that as a customer I can contact NorthWestern Energy to remove Third Parties from my account.

Third Party Information

Mail termination of service notices to the Third Party listed below.

Third Party Name _____ Phone _____

Mailing Address _____ Apartment/Unit Number _____

City _____ State _____ ZIP _____

Third Party Signature _____ Date _____

This request will not be accepted without the Third Party's signature.

NorthWestern Energy will make every effort to send a copy of the notice of termination of services to the Third Party specified. NorthWestern Energy is not responsible if the Third Party fails to receive or act upon the notice. The Third Party Notification service does not modify in any way NorthWestern Energy's liability, if any, for property damage that may result from disconnection of utility service.

A new form must be completed by the customer and Third Party if any of the Third Party information above changes. The Third Party information within is specific to the account number listed above and will not be associated to any other customer accounts or Third Party records.

Please retain a copy for your records and return completed form to NorthWestern Energy at custserv@northwestern.com, fax 406-497-4950, or mail Attention: Customer Service 11 E Park St, Butte, MT 59701.

CONTINUOUS SERVICE AGREEMENT

This Continuous Service Agreement ("Agreement") is entered into by and between NorthWestern d/b/a NorthWestern Energy ("NorthWestern") and _____ ("Responsible Party") and is effective as of the date processed by NorthWestern.

- 1. Service Options. NorthWestern offers two continuous service agreement options: Move Out / Non Payment: Services are automatically transferred to the Responsible Party upon tenant's request to discontinue service or nonpayment of service. This applies even if the tenant remains in the property. Move Out Only: Services are automatically transferred to the Responsible Party only upon tenant's request to discontinue service.
2. NorthWestern's Obligations. As of the effective date services are discontinued in accordance with the option selected above, NorthWestern will: (i) transfer responsibility for utility charges into the name of the Responsible Party; and (ii) attempt to notify the Responsible Party of this change.
3. Responsible Party Obligations. Responsible Party shall notify NorthWestern of any changes to the Property List, ID Information for the Responsible Party and Authorized Parties, and contact information.
4. Authorization. Responsible Party may authorize users to obtain information and conduct business on behalf of the Responsible Party. To add a user, Responsible Party must register for the Property Management Portal (Continuous Service Agreement Corner) at www.northwesternenergy.com.
There are two levels of authorization that can be granted to users: Information Only and/or Full Authorization. An Information-Only user may receive, but not modify, account information. Full Authorization allows a user to modify account information (including payment arrangements), change a mailing address, discontinue billing, terminate service, establish new accounts, or remove properties from this Agreement.
5. Disconnection. NorthWestern may discontinue any utility service covered under this Agreement in accordance with the tariffs, rules and regulations of the applicable state utility commission.
6. Suspension and Termination. This Agreement may be suspended or terminated as follows:
6.1 Suspension: This Agreement may be suspended by NorthWestern if past due monies are owed by the Responsible Party for property listed, or previously listed, on this Agreement.
6.2 Termination: This Agreement may be terminated for cause by NorthWestern upon a breach of this Agreement or the failure of Responsible Party to pay balances for property listed, or previously listed, on this Agreement.
Responsible Party may terminate this Agreement at any time by providing written or verbal notice to NorthWestern.

7. Conflicts. In the event of a conflict between the terms of this Agreement and NorthWestern's gas or electric tariffs, rules and regulations established by the applicable state utility commission, the terms of the tariffs, regulations or rules prevail. All terms of this Agreement are subject to modification upon notice by NorthWestern if required as a result of changes in applicable tariffs, rules and regulations and laws amended or enacted after the date of this Agreement.
8. Information. This Agreement does not authorize the Responsible Party or Authorized Parties to any information of a NorthWestern customer at a property subject to this Agreement, other than the average annual utility usage.
9. Connect Fees. Responsible Party is not required to pay connect fees when responsibility for services are transferred to Responsible Party. If the Responsible Party requests services be disconnected, connect fees (if applicable) will be charged when services are resumed in the Responsible Party's name.
10. Limitation of Liability. NorthWestern's liability under this Agreement is limited to direct actual damages of the Responsible Party in amounts not to exceed \$500. Neither party is liable to the other party for special, incidental, punitive or consequential damages of any kind.
11. Miscellaneous. Responsible Party shall not assign this Agreement without the prior written consent of NorthWestern. A waiver by either party of any right or conditions of this Agreement will not limit the right of a party to enforce such right or conditions at a later date. If any portion of this Agreement is held to be void or unenforceable, the balance will continue to be effective. Except as permitted by Sections 3 and 4 to allow for the periodic updating of the Property List and Authorized Parties, this Agreement will not be modified, amended or changed in any respect except by a written document signed by the parties. This Agreement constitutes the entire agreement of the parties. Covenants or representations not contained or incorporated therein are not binding upon the parties. Handwritten revisions to this Agreement are of no effect and are not binding against the parties.

The parties understand and acknowledge that this Agreement will be effective on the date that NorthWestern processes a completed Agreement.
